

Access Control Solution

Accessories

HST-E280

[www.hlogicgroup.com](http://www.hlogicgroup.com)

## Product Feature

- ◆ Anti-corrosion, lock body deal with special anti-rust
- ◆ Suitable Doors: Wooden door, Glass door
- ◆ Metal door , Fireproof door
- ◆ With time delay
- ◆ With signal feedback

## Specification

Voltage	DC12V
Current draw	12V/500mA
Operating temp	≤20°C
Surface temp	-10°C ~ 55°C (°14F~°131F)
Humidity	0 ~90%(non-condensing)
Holding force	280kg(600Lbs)
Product Weight	1.84kg
Finishes for magnetic/armature	Zinc

## Dimension
