Access Control Solution

Accessories

HST-E600

www.hlogicgroup.com

Product Feature

- ◆ Anti-corrosion, lock body deal with special anti-rust
- ◆ Suitable Doors: Wooden door, Glass door
Metal door , Fireproof door

Specification

Voltage	DC12V
Current draw	12V/500mA 24V/250mA
Operating temp	≤20C
Surface temp	-10°C ~ 55°C (°14F~°131F)
Humidity	0~90%(non-condensing)
Holding force	280kg(600Lbs)
Product Weight	1.84kg
Finishes for magnetic/armature	Zinc

Dimension
